Protective equipment

: Use self-contained breathing apparatus

Toxicological information

Safety Data Sheet

creating better environments

In accordance with EC Directive 1907/2006/EC

FLOORING SYSTEMS

General information : No harmful effects have been reported to date

Revision No.: 3

Revision date: 1-1-2016

Page 2/3

7. Handling and storage

Information for safe handling : No specific measure required

Information about storage : No specific measure required

8. Exposure controls/personal protection

Ingredients with occupational exposure limits to be monitored : Not applicable

General protective and hygienic measures : No specific measures required

Respiratory protection : Not applicable

Hand protection : Not applicable

Eye protection : Not applicable

Skin protection : Not applicable

9. Physical and chemical properties

Physical state : Solid flexible linocut linoleum

Form : Tile

Colour : Various colours and patterns

Odour : Weak "linseed oil" odour

Melting point : Not applicable

Flash point : Not applicable

Danger of explosion : Not applicable

Density : 1150 – 1250 kg/m³

Solubility : Insoluble in water or conventional solvents

10. Stability and reactivity

Thermal decomposition : No decomposition up to approx. 450 °C

Hazardous reactions : No hazardous reactions

Dangerous decomposition products : No dangerous decomposition products

Revision No.: 3

Revision date: 1-1-2016

creating better environments

In accordance with EC Directive 1907/2006/EC

FLOORING SYSTEMS

12. Ecological information

Information about elimination : Product is biodegradable and can be composted.

Other information : Insoluble in water

13. Disposal considerations

Product : Incineration with energy recovery is the preferred disposal method. Land filling in a permitted facility is an alternative. All applicable local and national legislation should be consulted before disposal.

Packaging : Packaging should be subjected to waste management schemes (recovery recycling) in accordance local and national legislation

14. Transport information

ADR : Not restricted

ADNR : Not restricted

RID : Not restricted

IATA : Not restricted

IMDG : Not restricted

15. Regulatory information

Labelling in accordance with ECdirectives : The product does not require a hazard warning label in accordance with EC directives or relevant national laws

16. Other information

Department issuing MSDS : Quality Assurance

Contact : P. de Jong

The information in this Safety Data Sheet is based upon the present knowledge and experience.

The actual facts do not give any information about the qualities and properties of the product.
