

# Micador for Artist Grey Sketching Set, Tin 12

## 1. Product Identifier & Identity for the Chemical

<b>Product name</b>	<b>Micador For Artist Greys Sketching Set, Tin 12</b>
<b>Product codes</b>	<b>GREY12</b>
<b>Recommended use</b>	Art and Craft
<b>Restrictions on use</b>	None known
<b>Date issued</b>	<b>22<sup>nd</sup> January 2020</b>
<b>Company name</b>	Micador Australia Pty Ltd
<b>ABN</b>	98 004 509 880
<b>Address</b>	4/132 Bangholme Road, Dandenong South, VIC 3175
<b>Emergency phone</b>	03 8788 1800 (Monday – Friday from 9am – 5pm)
<b>Phone</b>	03 8788 1800
<b>Fax</b>	03 8788 1810
<b>Email</b>	<a href="mailto:safety@micador.com.au">safety@micador.com.au</a>
<b>Poisons Information Centre</b>	
<b>AUSTRALIA</b>	13 11 26
<b>NEW ZEALAND</b>	0800 764 766 or 0800 POISON
<b>OTHER</b>	Contact your local country poison centre

## 2. Hazard Identification

**Hazard classification** This product is **not classified as a hazardous substance or mixture** according to the criteria of the Globally Harmonised System of Classification and Labelling of Chemicals (GHS).

**Hazard labelling** No labelling information (such as hazard pictogram, signal word, hazard statement, precautionary statement) is required as this product is not classified as a hazardous substance or mixture.

**Other Hazards which do not result in classification** Additional information: After contact-with eyes or skin: Rinse the affected eyes or skin with of water

## 3. Composition/Information on Ingredients

Proprietary

## 4. First Aid Measures

For advice, contact a Poisons Information Centre, Phone Australia 13 1126; New Zealand 0800 764 766, or a doctor at once.

<b>After skin contact</b>	Immediately wash with water and soap and rinse thoroughly. If skin irritation continues, consult a doctor
<b>After eye contact</b>	Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor

## 5. Fire Fighting Measures

**Suitable extinguishing media** Water, carbon dioxide or chemical foam

**Specific hazards arising from the chemical** None known

**Special protective equipment and precautions for fire fighters** Wear fully protective suit. Mouth respiratory protective device

## 6. Accidental Release Measures

### Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation. Use respiratory protective device against the effects of fumes/ dust/aerosol. Avoid contact with eyes. Avoid contact with skin

**Environment precautions** Do not allow to enter sewers/ surface or ground water.

**Methods and materials for containment and cleaning up** Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust). Dispose contaminated material as waste according to item 13

## 7. Handling and Storage

### 7.1 Precautions for safe handling

Keep receptacles lightly sealed.

Keep away from heat and direct sunlight.

Ensure good ventilation/ exhaustion at the workplace.

Prevent formation of aerosols.

Avoid contact with eyes and skin.

- Information about fire- and explosion protection:

Keep ignition sources away- Do not smoke.

Normal measures for preventive fire protection.

### 7.2 Conditions for safe storage, including any incompatibilities

- Requirements to be met by storerooms and receptacles: Store in a cool location.

- Information about storage in one common storage facility:

Store away from foodstuffs.

Store away from flammable substances.

Do not store together with oxidising and acidic materials.

- Further information about storage conditions: Store in cool, dry conditions in well sealed receptacles.

### 7.3 Specific end use(s) No further relevant information available.

## 8. Exposure Controls/Personal Protection

### 8.1 Control parameters

- DNELs: Data not available.
- PNECs: Data not available.

### 8.2 Exposure controls

Based on the compositions show in Section 3, the following measures are suggested for occupational safety measure.

- Exposition Limit Values: Not available.
- Measurement methods: Not available.
- Exposure Controls
- Technical measures: Not necessary, no exposition expected.
- Personal protective equipment

- Body protection: Commonly special body protection not necessary, regular work clothing sufficient.
- Respiratory protection: Commonly respiratory protection not necessary.
- Eye protection: Commonly eye protection not necessary, eye contacts should be avoided.
- Hand protection: Protection gloves are not required commonly, on permanent skin contact gloves for low mechanic and substantial stress are enough.
- Skin protection: Skin protection products are not as effective as protection gloves, so suitable protection gloves should be preferred if possible. If protection gloves can not be worn apply water insoluble skin protection substances to clean skin before start of work and after each break and thoroughly embrocate. Before break and at end of work skin cleaning with water and soap is necessary. After cleaning fatty skin care products should be applied.
- General safety and hygiene measures: On using do not eat, drink or smoke. Avoid aspiration of dust. Change contaminated clothes and don't reuse t until cleaned.

## 9. Physical and Chemical Properties

### 9.1 Information on basic physical and chemical properties

- General Information
  - Appearance:  
Form: solid  
Colour : —
  - Odour: Odourless to mild
  - Odour threshold : Not data available.
- 
- pH-value : Data not available.
- 
- Melting Point : Not data available.
  - Flash point : Not data available.
  - Boiling point : Not data available.
- 
- Flammability(soid, gas): Not applicable
  - Self ignition temperature: Not data available.
  - Explosion limits : Not data available.
- 
- Density : Not data available.
  - Relative density : Not data available.
  - Vapour density : Not data available.
- 
- Solubility in /miscibility with  
Water : insoluble in water.
  - Viscosity:  
Dynamic : Not applicable.

9.2 Other Information : No further relevant information available.

## 10. Stability and reactivity

- 10.1 Reactivity No decomposition if used according to specifications.
- 10.2 Stability : Stable
- 10.3 Thermal decomposition : Data not available.
- 10.4 Hazardous reactions : No dangerous reactions are known when handled and stored Appropriately .
- 10.5 Chemical stability Stable under recommended storage conditions.
- 10.6 Possibility of avoid : No dangerous reactions known.

## 11. Toxicological information

### 11.1 Information on toxicological effects

- Acute toxicity Based on available data, the classification criteria are not met.
- Skin corrosion/ irritation Based on available data, the classification criteria are not met.
- Serious eye damage/ irritation Based on available data, the classification criteria are not met.
- Respiratory or skin sensitisation Based on available data, the classification criteria are not met.
- Reproductive toxicity Based on available data, the classification criteria are not met.
- STOT- single exposure Based on available data, the classification criteria are not met.
- STOT- repeated exposure Based on available data, the classification criteria are not met.

## 12. Ecological information

### 12.1 Toxicity

- Aquatic toxicity: No further relevant information available.

12.2 Persistence and degradability : No further relevant information available.

12.3 Bioaccumulative potential : No further relevant information available.

12.4 Mobility in soil : No further relevant information available.

### 12.5 Results of PBT and vPvB assessment

- PBT : Not applicable.
- vPvB: Not applicable.

12.6 Other adverse effects : The waste do not pour into the water will pollute the water.

## 13. Disposal considerations

### 13.1 Waste treatment methods

- Recommendation: Smaller quantities can be disposed of with household waste.
- Uncleaned packaging
- Recommendation: Disposal must be made according to official regulations.

## 14. Transport information

### 14.1 UN-Number

- ADR/RID/AND,IMDG,IATA : Not applicable.

### 14.2 UN proper shipping name

- ADR/RID/AND,IMDG,IATA : Not applicable.

### 14.3 Transport hazard class

- ADR/RID/AND,IMDG,IATA

- Class : Not applicable.

### 14.4 Packing group

- ADR/RID/AND,IMDG,IATA : Not applicable.

14.5 Environmental hazards : Not applicable.

14.6 Special precautions for user : Not applicable.

14.7 Transport in bulk according to Annex II of Marpol and the IBC Code : Not applicable.

14.8 Transport/ Additional information: Not dangerous according to the above specifications

## 15. Regulatory information

15.1 Safety, health and environmental regulations/ legislation specific for the substance or mixture

- Directive 2012/18/EU
- Named dangerous substances – ANNEX I None of the ingredients is listed.
- National regulations:
- Water hazard class : Water hazard class I (self-assessment): slightly hazardous for water.

• SVHC Candidate List of REACH Regulation Annex XIV authorisation (12/1/2017)
-------------------------------------------------------------------------------

None of the ingredients is listed.
------------------------------------

• REACH Regulation Annex XVII Restriction(3/2/2017)
-----------------------------------------------------

None of the ingredients is listed.
------------------------------------

15.2 Chemical safety assessment : A Chemical safety assessment has not been carried out.

## 16. Other information

- The contents and format of this SDS are in accordance with Regulation (EC) No 1907/2006, 1272/2008 and Regulation(EU) No 2015/830
- The information in this document is based on our current know kedge and is intended to describe the product for the purposes of health, safety, and environmental requirements only.
- It should not therefore be construed as guaranteeing any specific property of the product.

- Abbreviations and acronyms:

**ADR** : Accord europeen surle transport des marchandises par Route ( European Agreement concerning the International carriage of Dangerous Goods by Road)

**IMDG** : International Maritime Code for Dangerous Goods

**IATA** : International Air Transport Association

**CAS** : Chemical Abstracts Service

**PBT** : Persistent, Bioaccumulative and Toxic

**vPvB**: Very Persistent and very Bioaccumulative
