

# Safety Data Sheet

## Basics Gel Pens

Revision Number 1  
Issue Date 1 August 2023  
Supersedes

### SECTION 1 Product & Supplier Identification

**Product Name** Basics Gel Pens (Gold & Silver)  
**Other Names** Gel Pens  
**Product Code** PN980-GO & PN980-SI  
**Barcode Number**  
**Recommended Use** Coloured ink for use with art and craft.  
**Restrictions on Use** None known  
**Company** Zart Art  
**ABN** 24 621 120 321  
**Address** 14-17 Dansu Court, Hallam, VIC 3803  
**Telephone** +61 3 9890 1867  
**Supplier Code**  
**Emergency Phone Number** Australia – 13 11 26 (Poisons Information Centre)

### SECTION 2 Hazards Identification

#### Classification of the hazardous chemical

**Physical hazards** Not classified  
**Health hazards** Not classified  
**Environmental hazards** Not classified

#### Label elements, including precautionary statements

**Hazard symbols** None  
**Signal word** None  
**Hazard Statements** The mixture does not meet the criteria for classification.

#### Precautionary statements

**Prevention** Observe good industrial hygiene practices.  
**Response** Wash hands after use.  
**Storage** Store in well ventilated place. Keep container tightly closed.  
**Disposal** Dispose of contents and container in accordance with local regulations.

### SECTION 3 Ingredient Composition / Information

| <u>Chemical Entity</u>   | <u>CAS No.</u> | <u>Proportion (to 100%)</u> |
|--------------------------|----------------|-----------------------------|
| Non-hazardous components |                | to 100%                     |

### SECTION 4 First Aid Measures

**General Information** You should call The Poisons Information Centre if you feel that you may have been poisoned, burned or irritated by this product. The number is 13 11 26 from anywhere in Australia (0800 764 766 in New Zealand) and is available at all times. Have this SDS with you when you call.

#### Description of necessary first aid measures

**Eye** Immediately rinse with plenty of gently, running water for atleast 15 minutes, with eyes open wide as much as possible. Seek urgent medical attention.  
**Skin** Wash off with soap and water. If any symptoms arise seek medical attention.  
**Swallowed** Immediately rinse mouth with water. Repeat until contaminant is thoroughly removed. Give water to drink. Do not induce vomiting as this may risk further damage. If vomiting occurs give water to help dilution. Seek urgent medical attention.  
**Inhalation** Remove affected person to a fresh air or well ventilated area. Seek medical attention if symptoms persist.

### Personal protection for first aid responders

Ensure that medical personnel are aware of the material(s) involved and take precautions to protect themselves.

### Symptoms caused by exposure

Direct contact with eyes may cause stinging / burning, tearing, redness and blurred vision. Direct contact with mouth and throat may cause burning sensation and general irritation.

### Medical attention and special treatment

Provide general supportive measures and treat symptomatically as for strong alkalis. Keep under observation as symptoms may be delayed. If not already done seek medical attention.

---

## SECTION 5

### Fire Fighting Measures

---

#### Extinguishing equipment

**Suitable** Water, fog, foam, dry chemical powder, carbon dioxide. When choosing extinguishing equipment be aware of any potential hazard(s), example electrical.

**Unsuitable** Anything that could spread the fire and or risk the safety of surrounding personnel.

#### Specific hazards arising from the chemical

This product is not likely to burn. It may however support combustion when the water has been removed and gases hazardous to health maybe formed.

#### Specific protective equipment and precautions for fire fighters

Self-contained breathing apparatus (SCBA) and full protective clothing (PPE) must be worn in case of fire.

**General fire hazards** No unusual fire or explosion hazards known.

---

## SECTION 6

### Accidental Release Measures

---

#### Personal precautions, protective equipment and emergency procedures

##### For non-emergency personnel

Keep unnecessary personnel away and upwind of spill / leak. Wear appropriate protective equipment during clean up. Contain spill to prevent contamination to drains / water ways. Local authorities should be contacted if spill cannot be contained. Collect and seal in clearly labelled containers for disposal in accordance with local regulations. Heed advice under Section 8 "Personal Protection".

##### For emergency responders

Keep unnecessary people away. Heed advice under Section 8 "Personal Protection".

#### Environmental precautions

Avoid discharge to drains, water ways or onto the ground.

#### Methods and materials for containment and clean up

Large spills – Stop flow of material, if safe to do so. Contain spill where possible. Absorb spill in sand, vermiculite, dry earth or other inert absorbent material. Collect and seal in clearly and properly labelled containers for disposal in accordance with local regulations. Small spills – Wipe / clean up with absorbent material, e.g. cloth.

---

## SECTION 7

### Handling & Storage

---

#### Precautions for safe handling

Avoid contact with eyes, skin and clothing. Wear appropriate personal protective equipment. Observe good industrial hygiene practices.

#### Conditions for safe storage, including any incompatibilities

Store in a cool, sheltered location away from direct sunlight and waterways. Keep containers tightly closed at all times when not in use. Store in clearly labelled containers.

---

**SECTION 8 Exposure Controls / Personal Protection**

---

**Occupational exposure limits**

No OEL's noted for this product.

**Biological limit values**

No biological exposure values noted for this product.

**Appropriate engineering controls**

Use in a well-ventilated area. Provide an eyewash station and safety shower.

**Individual protection measures, for example personal protective equipment (PPE)**

**Skin protection**

Wear impervious gloves.

**Hygiene measures** Use and maintain good industrial hygiene. Always wash hands after use. Routinely maintain safety equipment. Do not eat, smoke or drink when handling this product.

---

**SECTION 9 Physical & Chemical Properties**

---

|                                        |                     |
|----------------------------------------|---------------------|
| <b>Appearance</b>                      | Coloured liquid gel |
| <b>Odour</b>                           | Minimal             |
| <b>Odour threshold</b>                 | Not available       |
| <b>pH</b>                              | Not available       |
| <b>Melt point / freeze point</b>       | Not available       |
| <b>Boiling point</b>                   | Not available       |
| <b>Flash point</b>                     | Not available       |
| <b>Evaporation rate</b>                | Not available       |
| <b>Flammability</b>                    | Not available       |
| <b>Upper/lower flammability limits</b> | Not available       |
| <b>Vapour Pressure</b>                 | Not available       |
| <b>Vapour Density</b>                  | Not available       |
| <b>Relative density</b>                | Not available       |
| <b>Solubility in water</b>             | Miscible            |
| <b>Partition coefficient</b>           | Not available       |
| <b>Auto-ignition temperature</b>       | Not available       |
| <b>Decomposition temperature</b>       | Not available       |
| <b>Specific Gravity</b>                | Not available       |

---

**SECTION 10 Stability & Reactivity**

---

**Reactivity** Product is considered non-reactive under normal conditions of use, storage and transport.

**Chemical stability** This product is considered stable under normal conditions of use, storage and transport.

**Possibility of hazardous reactions**

No hazardous reaction known under normal use.

**Conditions to avoid** No specific data available for this product.

**Incompatible materials**

Strong oxidising agents and acids.

**Hazardous decomposition**

If engulfed in fire product may release obnoxious fumes including oxides of carbon.

---

**SECTION 11****Toxicological Information**

---

**Information on possible routes of exposure**

- Skin contact** May cause minor irritation in some individuals.  
**Eye contact** Serious eye irritation.  
**Ingestion** May cause mouth and throat irritation, abdominal and gastrointestinal irritation.  
**Inhalation** May cause minor irritation in some individuals.

**Symptoms related to exposure**

Direct contact with eyes may cause stinging / burning, tearing, redness and blurred vision.  
Direct contact with mouth and throat may cause general irritation.

**Acute** No specific data available.

**Skin corrosion / irritation**

Based on classification principles, the classification criteria are not met.

**Serious eye damage / irritation**

Based on classification principles, the classification criteria are not met.

**Respiratory or skin sensitisation**

Based on classification principles, the classification criteria are not met.

**Carcinogenicity** Not considered to be a carcinogenic hazard.

**Aspiration hazard** Based on classification principles, the classification criteria are not met.

**Reproductive toxicity**

Based on classification principles, the classification criteria are not met.

**Germ cell mutagenicity**

No data available.

**Additional Information**

This product does NOT contain,  
Egg, dairy, soy, seafood, shellfish, wheat or peanut products, by-products or derivatives.

---

**SECTION 12****Ecological Information**

---

**Ecotoxicity** No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Sufficient measures should be taken to retain the water used in extinguishing any fires involving this product. Dispose of contaminant in accordance with local landfill or incineration regulations.

**Persistence and degradability**

No specific data available.

**Bio accumulative potential**

No specific data available.

**Mobility in soil** No specific data available.

---

**SECTION 13****Disposal Considerations**

---

**Disposal methods** Dispose of this product and any water contaminated with this product in accordance with local regulations.

**Contaminated packaging**

The container in which the product is/was contained should also be disposed of in accordance with local regulations.

# Basics Gel Pens

## Safety Data Sheet

---

### SECTION 14

### Transport Information

---

**ADG** Not regulated as dangerous goods.  
**IATA** Not regulated as dangerous goods for IATA  
**IMDG** Not regulated as dangerous goods.

**Special Precautions** No special precautions or requirements for transport

---

### SECTION 15

### Regulatory Information

---

#### Safety, health and environmental regulations

This Safety Data Sheet was prepared in accordance with Safe Work Australia's Code of Practice for the Preparation of Safety Data Sheets for Hazardous Chemicals.

#### Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP)

Not allocated

**AICS** All components are listed in the Australian Inventory of Chemical Substances.

---

### SECTION 16

### Other Information

---

**Reason for Revision** Create an SDS in accordance with GHS requirements.

**ADG** Australian Dangerous Goods Code  
**AICS** Australia Inventory of Chemical Substances  
**IATA** International Air Transport Association  
**IMDG** International Maritime Dangerous Goods Code
